RE: INTERLOCK DEVICES

As of July 1, 2010, individuals who are convicted of operating a motor vehicle while intoxicated with a blood alcohol content in excess of .15 will be required to have their automobile equipped with a state certified interlock device. This requirement extends for the first twelve months a person is licensed to drive following conviction. There are currently three state certified OEM interlock providers:

National Interlock, Ltd.
PHONE: (800) 584-1226
WEBSITE: nationalinterlock.com

Consumer Safety Technology, Inc.
PHONE: (877) 777-5020
WEBSITE: cstinc.com

Draeger Safety Diagnostics, Inc.
PHONE: (412) 787-8383
WEBSITE: draeger.com

As of July 1, 2010, I am aware of the following business establishments that provide the necessary paperwork, install, and service the mandated interlock device:

1. Hartland Service -400 E. Industrial Drive, Hartland, WI - (262) 367-4234
2. Ewald Chevrolet Buick - 36833 East Wisconsin Avenue, Oconomowoc, WI - (262) 567-5555
3. Auto Connections - 740 E. Wisconsin Avenue, Oconomowoc, WI - (262) 569-1600

As the law goes into effect, the equipment manufacturers will add additional authorized installers/servicers. Please check with the manufacturer websites noted above to obtain a complete listing.
